Re: 30 Day Post-General Report (10/16/2008-11/24/2008)
Freedom and Security PAC C00431061

Mr. Quy Vuong,

The 30 Day Post-General Report is being amended to clarify expenditures for the Freedom and Security PAC fundraising.

The Townsend Group and Second 2 Nong are organizations that raises money for the Freedom and Security PAC. The expenditures made for "fundraising" on Schedule B, line 21b, are for their respective monthly fees for raising the contributions. The 30 Day Post-General Report is amended to change the description from "fundraising" to "PAC fundraising monthly fees". No funds were raised on behalf of any candidate. The contributions were for the Freedom and Security PAC. Schedule A, Itemized Receipts properly lists the contributions.

The cash or any financial data on the original filed report did not change.

Thank you
Ruth Ann Michnay
Treasurer
Freedom and Security PAC
